YogaPartout (pronounced: Parr Too) dot com: Yoga en français. An Afternoon with Daniel Gauthier from French Canada

Daniel Gauthier's official web site launch about Yoga (Yoga Partout means Yoga Everywhere)

Yogapartout.com is a collaborative CMS Groupware. It is a wiki platform where everyone is welcomed to add their two cents.

Presentation

Daniel is a symbol analyst (see bellow in interesting links about definition). Many listeners and Michele too is a symbol analyst as per the author Robert Reich
a short explanation, a symbol analyst is someone who masters more than two fields of expertise. Daniel makes a film, using internet technology and his film about yoga.

- Daniel studied film production when he was 19
- Daniel holds some university education in administration/ marketing (certificate HEC)
 - Daniel completed a College diploma in Information Technology as a system analyst
 - Daniel is a certified Yoga Alliance teacher
 - Daniel speaks more than two languages (Hablà espanol!
- Daniel has passed several tests to see if he is normal (people around him had doubts about his learning capabilities) and it turns out that his IQ is above average
 - Daniel is a multi diciplinary person. Learns fast... forgets fast

AND, Daniel is a very poor in math and logic (one has to be true about himself and portray reality of the three worlds).

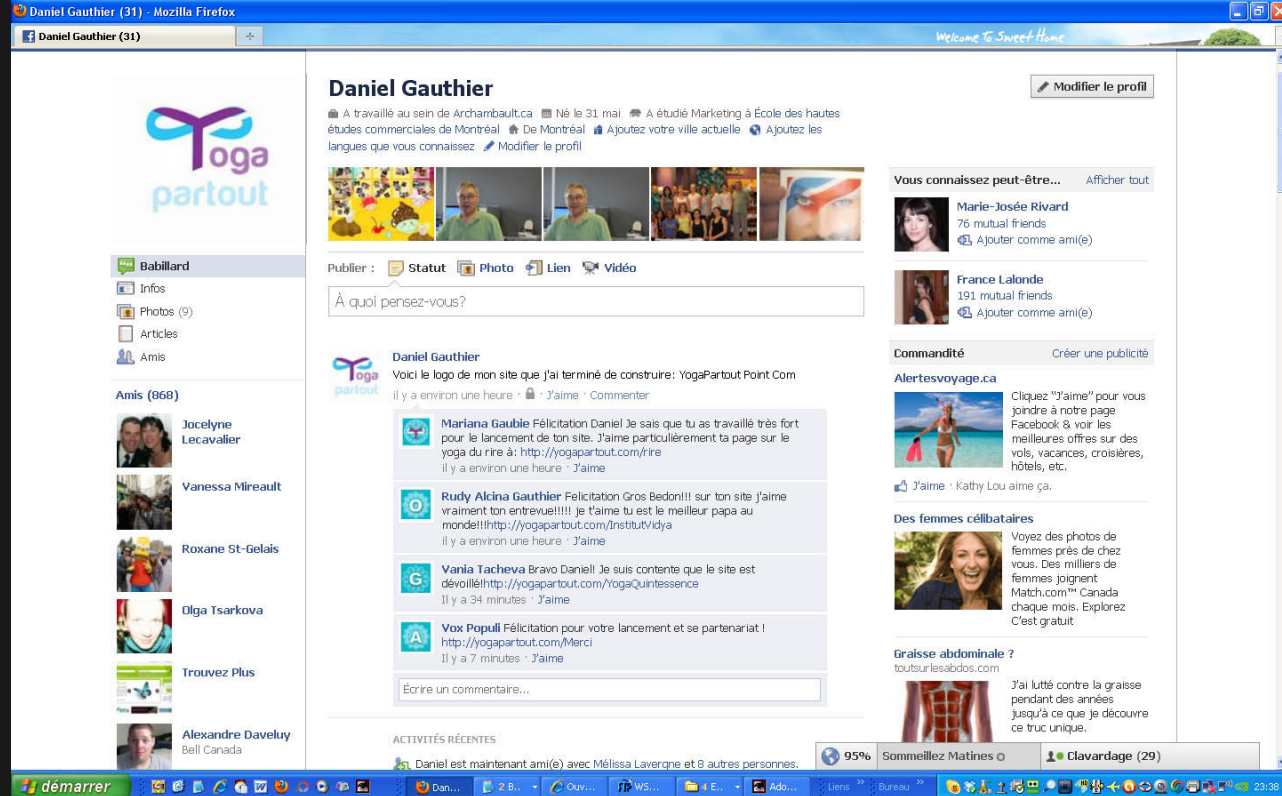

- Daniel continues his studies in yoga with a master in India (Hooray for Skype!) in Jnana yoga
- Daniel meditates and learned psychic healing and considers [Bob Moore](#) as his second real master (first one is always the mother, isn't it!)
 - Read [Daniel's testimonial](#)
 - This is where he met [Jim Gilkeson](#)

How did it begin?

For BTR's interview purpose, it all began in 2008, when his mother passed away on July second. Daniel inherited his mother's trait of characters (not to be afraid any more... or almost). Daniel felt his calling: Coming out of the closet... in regards to spirituality.

In truth, when did it really begin?

Daniel's spiritual path began early in age.
Here is [his spiritual resume](#) in French
Here is the [BabelFish translation](#)!

Examples of a failed attempts

While progressing in doing this documentary, Daniel found a lot of closed doors and deception from people who said they would help.
The launch of his web site was reported three times.

- First time: December 25th 2010
 - Just unable to [master the wiki tehnology](#) he choose for his web tv concept (see Tiki.org)
 - Second time: February 14th (13th in fact) 2011
- Came out of this launch postpone a french and english interview with a yoga Swami in Miami
- [Unlisted interview - Must see for the chill in your back - Interview in English](#): YogaPartout rencontre Swami Jyotirmayananda: une entrevue exclusive: Le Yoga Integral

Question: Many people watched the clip and reported this: When Daniel greets the Swami into the room (Daniel is facing back the camera), Daniel goes with a
OOOF!. Many people have reported to feel a chill in their spine go up to Ajna cakra. [Do you feel the same?](#)

OUTCOME of this failed exercise

Going to New Orleans as I found a yoga teacher who is willing to help me do continue searching for the origins of yoga. Then I'll be heading to the Yogananda
Ashram in California.

Now that the web site is launched, what's next?

Daniel would like to invite Awakenings Radio's listener to play a game.

What is the *spiritual game* does Daniel wants to invite listeners to play?

Here it is one of the many synchronistic story Daniel has experienced since he came out of the closet.

Let's play

See in French the same will be prepared before May 25th show in English

Other notes for Daniel to remember

Well, one is never too prepared for a radio show. Yet, we prefer to rely on spirit and intuition

Integral Yoga

To all Awakenings radio listener

Michele, see the yoga interview (in english in the middle of the clip) and more specifically the "WOFFFF" I pronounce when that Swami enters the room. Afterward tell me if you feel something. I did, BIG time. This man was simply *glowing harmony*:
